

We could not have imagined, from one visionary's idea in 2014, that today Thank the SEALs would have honored 14 families, 29 children, 7 veteran organizations, rode 17,000 miles, raised and gifted over \$400,000 to these families and organizations.

To all the warriors honored by their selfless LIFE sacrifice, thank you.

To all the families that have opened their hearts and lives through personal stories, pictures, and loving memories, thank you.

To all the children, your moms and dads are heroes FOREVER, thank you for all the hugs over the years.

To the Naval Special Warfare Community, the many SEALs, past and present, generations of Frogmen who have supported TTS personally and financially, we say thank you. LLTB

Many of you have honored us by your continued support of Thank the SEALs, from sponsorships to individual donations, we say thank you.

Our mission is complete; as we close 2021, we will also be closing the books on TTS. Time to pass the torch of freedom and honor to the non-profits who have been inspired by this mission for the last 7 years. Great things will continue to come from them.

Thank the SEALs will fulfill our mission with donations to remaining families and organizations identified and approved. Your donations allow us to serve our collective mission one final time.

To the TTS Board of Director's and volunteers throughout the years, thank you.

Please pray for all who serve, pray for the families we honor, and God Bless You All.
